

Dear church family

God's Faithfulness in 2025

As we look back on 2025, we see God's faithfulness in providing for all our needs. Despite a challenging financial year, He enabled us to launch St Paul's Bretch Hill (SPBH) in January and continue our gospel ministry across both congregations. As we enter 2026, we're trusting Him again to provide for the year ahead.

For more detail, you can view our **DRAFT 2025** annual accounts on the [website](#). These accounts will be independently examined in due course before final approval by PCC before APCM in May 2026.

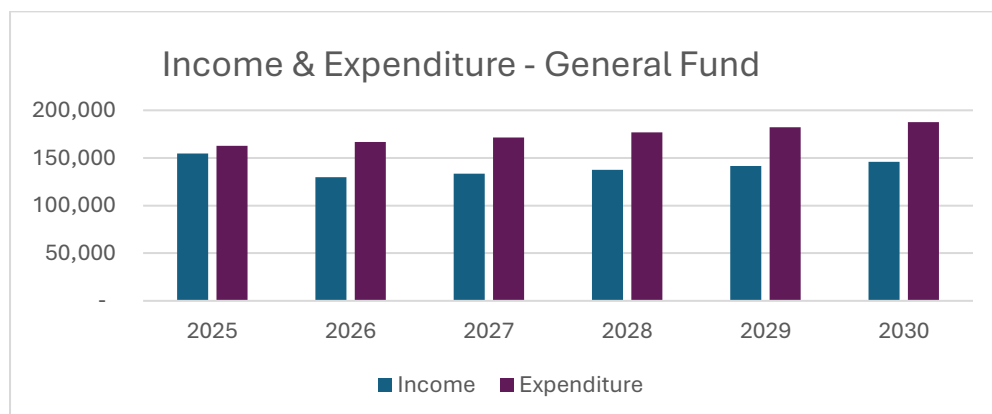

Our Financial Picture for 2026

The PCC has prayerfully set budgets for 2026 across two areas of our church life:

General Fund

- **Income expected:** £130k from regular donations, property rental, and investments
- **Budget requirement:** £167k – Salaries, Parish share, Mission* and Buildings maintenance and running costs (these four areas represent 90% of general costs)
- **Shortfall:** £37k
- This deficit is primarily due to inflationary increases, updated Employer's National Insurance contributions, and a significant number of church members now worshipping at SPBH.

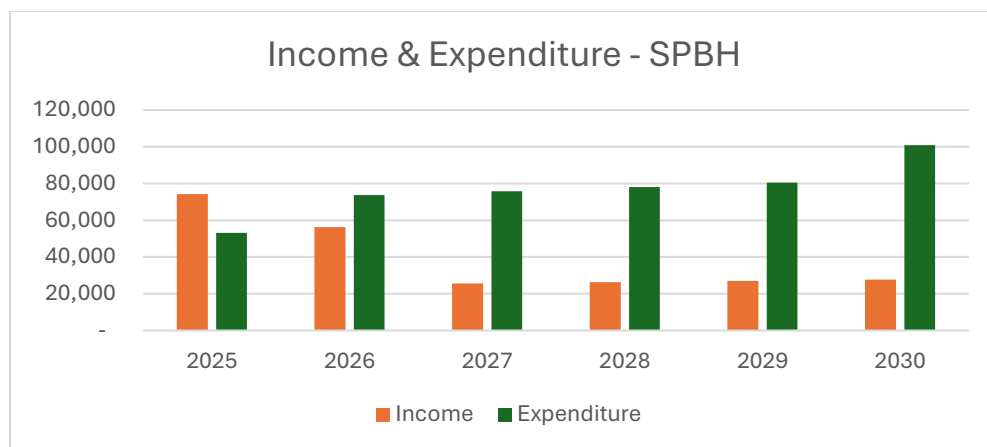

*10% of all regular giving goes towards UK and global mission.

SPBH Congregation

- **Income expected:** £56k from congregation donations, Stoke Poges Free Church Trust, and Oxford Diocese Development Fund
- **Budget requirement:** £73k
- **Shortfall for 2026:** £17k
- **Total funding needed 2026-2028:** £120k

The projected drop in income from 2027 onwards reflects the cessation of both the Stoke Poges Free Church Trust and Oxford Diocese Development Fund grants in 2026. External fundraising will be essential to sustain this growing church plant.

PCC Response

- The PCC has scheduled a **Gift Day in January (WR) and February (BH) 2026** to address the General Fund deficit of £37k
- Margaret Clark and Rachel Hinton are actively seeking external funding partners for SPBH to cover the three-year funding requirement (£120k) and we're trusting God to provide for this exciting new work.
